Create Your Own Mission Statement!

A fun guide to help kids & young learners think about their goals and dreams!

1. Imagine Your Future!

Imagine it's the future, and you have achieved all your dreams. What does your perfect day look like?

Draw it here:  _____

👉 What do you love doing? _____

👉 What makes you feel happy and excited?

👉 What kind of person do you want to be when you grow up?

👉 What do you imagine yourself doing in 10 years?

2. What's Most Important to You?

Think about what matters most in your life. **Circle or check your top choices!**

- ☐ My family and friends
- ☐ Helping others
- ☐ Learning new things
- ☐ Being kind and respectful
- ☐ Having fun and being creative
- ☐ Other: _____

3. Set Your Big Goals!

- What are some things you want to do in life?
- What skills do you want to learn?
- How will you make the world a better place?

👉 **My goals:** _____

4. Write Your Mission Statement!

Now, put it all together into a short and fun mission statement!

👉 **I am** _____

👉 **I love** _____

👉 **I want to** _____

👉 **I will always** _____

Example 1: "I am a kind and creative person. I love helping others and learning new things. I want to be a great scientist and discover new things. I will always work hard and be curious!"

Example 2: "I am a strong and caring leader. I love animals and nature. I want to protect the environment. I will always do my best to help the planet and inspire others to do the same!"

5. Share & Live Your Mission!

- Hang your mission statement on your wall!
- Read it every morning for motivation!
- Share it with family, teachers, or friends!

🌟 You are on a mission to be your best self! Keep growing and dreaming big!
