

Problem-Solving Framework for Kids

Skillful Adventures™

www.skillfuladventures.com

Become a Super Problem Solver!

Use these steps to solve problems and find great solutions!

Step 1: Identify the Problem

- What is the problem I need to solve?
- Why is it a problem?
- How does it affect me or others?

👉 My problem is: _____

Step 2: Brainstorm Solutions

- What are different ways I can solve this problem?
- Are there any creative or new ideas I can try?
- How have others solved similar problems?

👉 Possible solutions:

1. _____
2. _____
3. _____

Step 3: Choose the Best Solution

- Which solution will work best?
- What are the pros and cons of each solution?
- Do I need help from someone else?

👉 I will try this solution: _____

Step 4: Take Action!

- What steps do I need to take?
- Who can help me if I need support?
- What should I do first?

👉 Steps I will take:

1. _____
2. _____
3. _____

Step 5: Reflect & Improve

- Did my solution work?
- What did I learn from this experience?
- What will I do differently next time?

👉 What I learned: _____

🎉 Great job! Every problem is a chance to learn and grow! Keep practicing!
